HYDRAULIC POWER UNIT

ABOUT US...

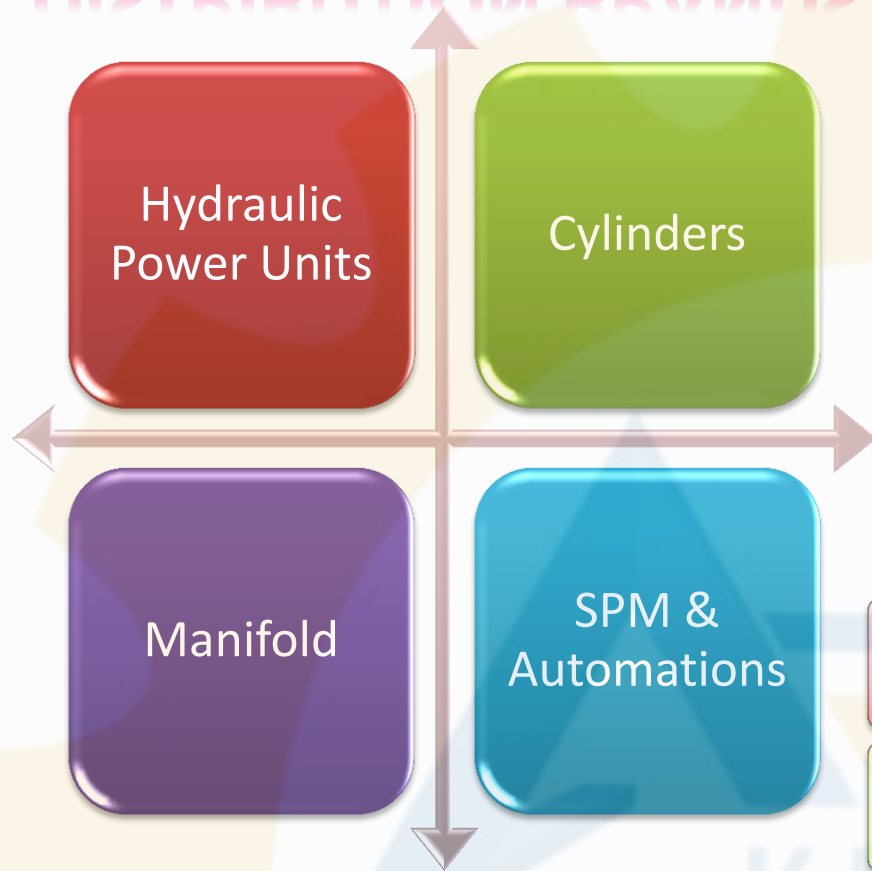

We design and manufacture Hydraulic Power Units, Hydraulic Presses and other Hydraulic-powered Equipments for industrial applications.

We offer hydraulics to serve.....

- Machine Tool Industry
- Paper Mills
- Steel Plants, Power Plants & Agricultural Machinery
- Presses and Shearing Machines
- Material Handling, Mobile Equipment & Construction Machinery
- Die Casting, Plastic and Rubber Processing Industry

MANUFACTURING & DISTRIBUTION BRANDS

DISTRIBUTION BRANDS

Yuken India Limited

Rexroth

Veljan Dennision Pvt Ltd

Polyhydron pvt ltd ,and Accessories

MANUFACTURING

Hydraulic Power Units

- Standard Power Units
- Customized Built Power Units
- Compact Power Units

Cylinders

- Tie Rod Construction
- Welded Construction
- Compact Cylinders

Manifold

- Standard
- Customized

SPM & Automations

- Customized

HYDRAULIC POWER PACK

Standard & Custom Built and Compact Power Units

Cost effective & Innovative Design and High Economic efficiency

Compact Design, Energy efficient

Standard and Reputed Hydraulic Elements used like YUKEN & Rexroth

Trouble Free Performance & Ease of Maintenance

CYLINDERS

We offers various Types of Cylinders for Both Medium Duty & Heavy Duty Applications

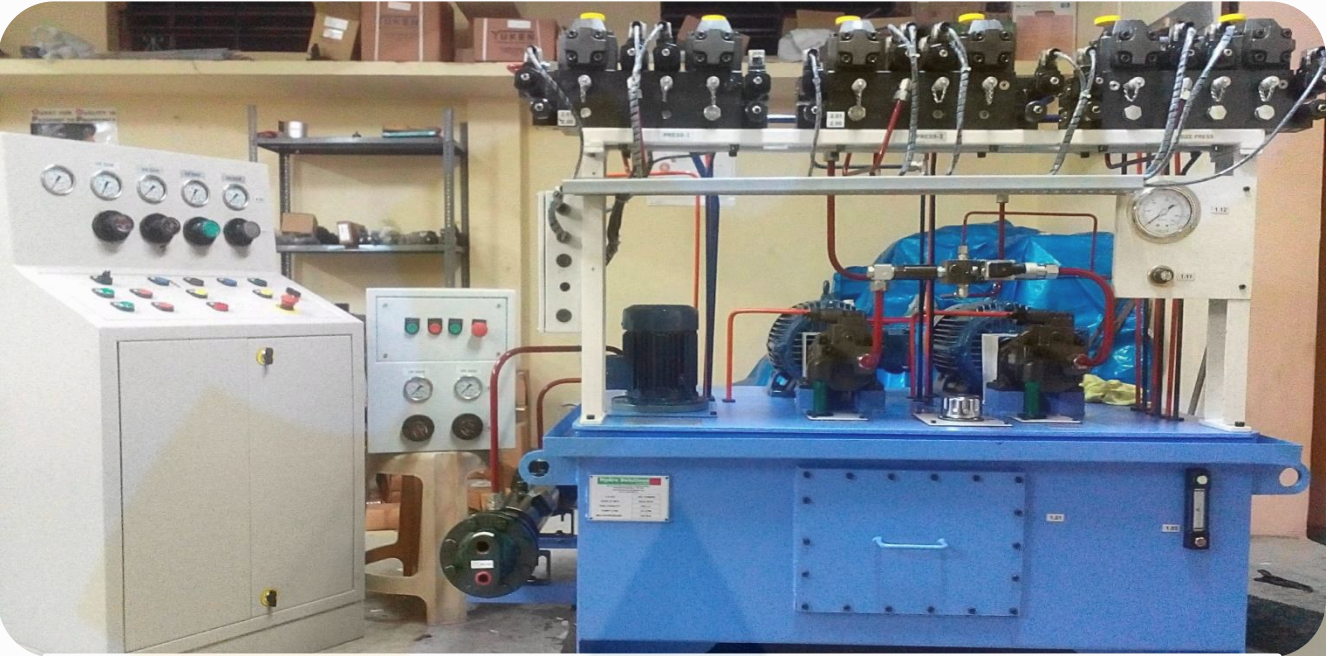

BIS, ISO & CETOP Standards

Bore Ranges from 25 to 320 mm

Strokes up to 2000mm

Max. Working Pressure 315 kg/sq.cm

Products & services

Paper Mill Power Pack & Panel

Cylinders

Machine Tool Power Pack
